

Enjoy the quietness and comfort of a cloth like feel...

...from a QuietWear Pouch in a size specifically designed for you!

Did you know,
Hollister QuietWear pouches are chlorine free, making them more environmentally friendly.

Hear the difference

- Proven to reduce embarrassing pouch noise found in other ostomy pouches.

Feel the difference

- Pouch material feels smooth and is designed to resemble natural fabrics found in most clothing.

See the difference

- Now available in Conform 2 two-piece closed flat (mini, midi and maxi).
- Now available in Moderma Flex one-piece closed flat (midi and maxi), closed convex (maxi) and closed oval flat (maxi).
